

August 23, 1993

August 24, 2002

A comparative view of the Harran Plain, 1993 and 2002. The image opposite shows the effects on the land of traditional agricultural methods in 1993. The image above shows the effects of irrigation methods used since the construction of the Atatürk Reservoir. (Data from the TM instrument on the Landsat 5 satellite, opposite; data from the ETM+ instrument on the Landsat 7 satellite, above.)
